

'DFIs and Climate Action' Samoa Housing Corporation

Matautia Rula Levi - CEO

بنك التنمية العماني
Oman Development Bank

ADFIAP
financing sustainable development

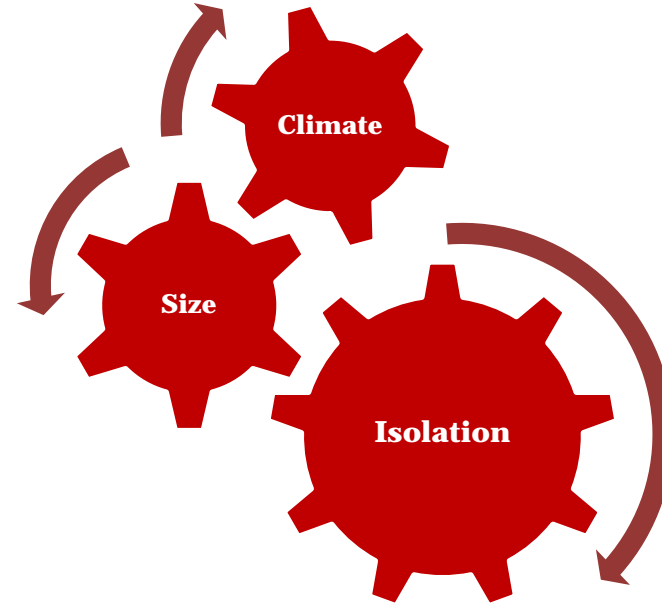

Definition – Small Island Development States

- Small but growing population
- Limited resources
- Remoteness
- Susceptibility to natural disasters
- Vulnerability to external shocks
- Excessive dependence on international trade
- fragile environments

Current landscape

- 1 Isolation
- 2 Globalisation
- 3 Climate change
- 4 Financial and Economic dependencies

Other considerations

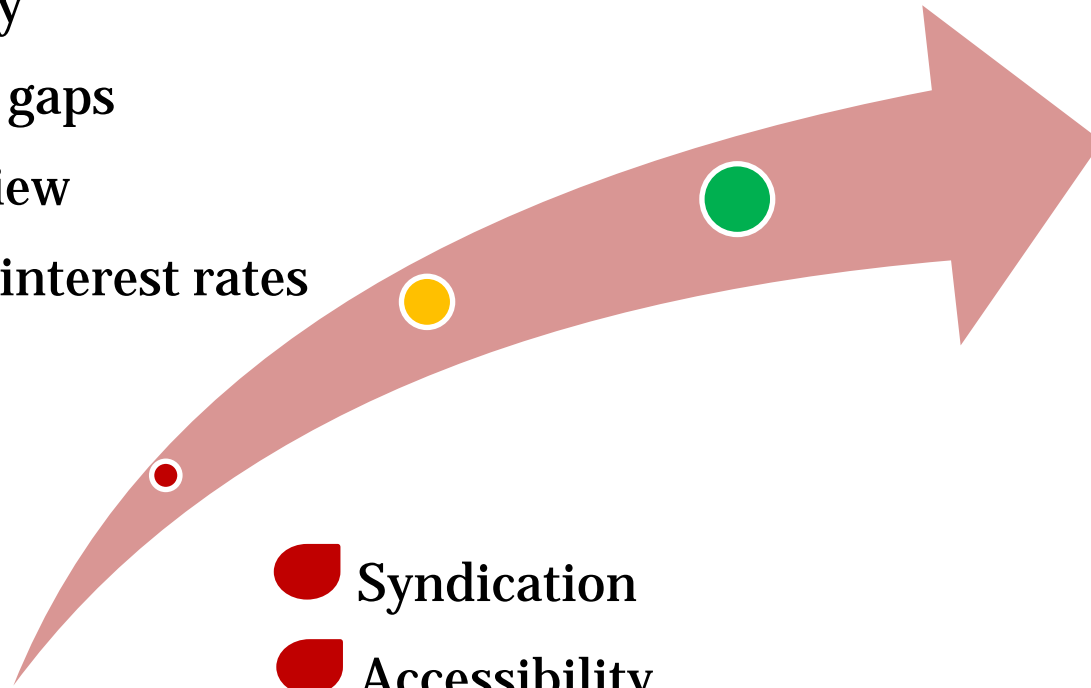

- 1 Government financing
- 2 Capitalisation
- 3 Development objectives
- 4 Strategic focus
- 5 Lending priorities

Looking ahead to the future

- Sustainability
- Filling in the gaps
- Long-term view
- Competitive interest rates

- Syndication
- Accessibility
- Catalysts for investment
- Capacity building

Thank you/Shúkran
